## Reciprocating Golf Program

[www.upnorthgolfnetwork.com](http://www.upnorthgolfnetwork.com)

The **Up North Golf Network** is a reciprocating network for golf courses in the Northern Michigan and Eastern Upper Peninsula area that want to extend to their individual members a benefit to include golf played at like-minded courses at reduced rates. Why would a club want other members on their course you might say? The answer is easy, so that a participating course has more play generating more green fees. At the same time, they are offering their members affordable access to several high quality, eighteen-hole golf courses in Northern Michigan and the Eastern Upper Peninsula. Most golfers like to be a member of their local club, but also enjoy different layouts and challenges during a season. This **Up North Golf Network** offers these opportunities and at the same time offers a major benefit to their members! Exposure to your course, more play, and increasing revenues are only a few of the benefits to the participating course!

The **Up North Golf Network** offers an online website presence so that members can easily access the courses that are participating in the network. You can access the website at [www.upnorthgolfnetwork.com](http://www.upnorthgolfnetwork.com). We encourage each participating course to use the **Up North Golf Network** logo on their individual website for easy access for their members for program details. You can access the logos with instructions to add it to your website at [www.upnorthgolfnetwork.com/logos](http://www.upnorthgolfnetwork.com/logos).

### **Program:**

**Program Limit:** Program is limited to twelve 18-hole golf courses located in Northern Michigan & Eastern Upper Peninsula, Monday thru Thursday.

**Rate Options:** Choose the discounted rate that best fits your course, \$25, \$35, or \$45 per 18-holes with cart. You get to pick one for the entire year or pick two, one for preseason before Memorial Day or after season, post Labor Day.

**Procedure:** Member will present course membership card and driver license for identification purposes at time of golfing. A course member is to call ahead for a tee time and identify themselves as a qualified member of the network club. Only members of participating clubs who sign up are eligible for this benefit.
